

Landscape Laborer

Job Description:

Landscape Laborers work as a unified team under the direct supervision of the Landscape Foreman. They are responsible for completing landscape installation jobs of high quality and in an efficient manner under that authority.

Essential Functions:

- Perform highly physical installation work on a consistent basis
- Work as part of a team and take direction
- Communicate and coordinate with the Foreman and piers
- Follow best practices of installation and company standards
- Proper use of all tools, equipment and machinery
- Maintain a clean and safe job site at all times
- Other duties as required

Requirements:

- Previous landscape installation experience
- Clean driving record
- Extensive knowledge and experience in installing a variety of hardscape applications
- Knowledge of perennials, shrubs, evergreens, and trees
- Highly motivated, self driven individual who is detail orientated
- Excellent attention to detail while working in a fun & fast paced environment
- Good time management skills; be available for seasonal long hours & weekends
- Ability to prioritize and multi-task
- Able to work effectively with individuals of differing knowledge and background
- Punctual and dependable
- Polite and courteous
